ITEM 4. Purpose of Transaction.

Item 4 is hereby amended to add the following:

"Lions Gate has informed the Issuer that it intends to explore whether there is a potential mutually beneficial combination of the two companies. Towards that end, the Reporting Persons intend to have discussions with the Issuer, its affiliates, and other persons about potential combinations that may involve stock or a combination of stock and cash. Lions Gate has further informed the Issuer that it believes any such combination should recognize the relative values of both companies and that the benefits of a transaction should be shared appropriately by both companies' shareholders. There can be no assurance that there is or will be any such combination, that such combination would be acceptable to either the Issuer or its shareholders, or that the structure, price, mix of consideration and terms that such a combination could take or the time that it could take to determine whether or not there is such a combination will occur.

The Reporting Persons may from time to time and at any time, in their sole discretion, acquire or cause to be acquired, additional equity or debt securities or other instruments of the Issuer, its subsidiaries or affiliates, or dispose or cause to be disposed, such equity or debt securities or instruments, in any amount that the Reporting Persons may determine in their sole discretion, through open market transactions, privately negotiated transactions or otherwise.

Without limiting the above, depending upon a variety of factors, the Reporting Persons may from time to time and at any time, in their sole discretion, consider, formulate and implement various plans or proposals intended to enhance the value of their investment in the Issuer, including, among other things, proposing or effecting any matter that would constitute or result in any of the matters or effects enumerated in Item (a)-(j) of Item 4 of Schedule 13D."

ITEM 5. Interest in Securities of the Issuer.

Item 5(a) is hereby amended and restated as follows:

"As a result of the Exchange, the Reporting Persons beneficially own (i) 2,118,038 Series A Shares, which represent approximately 2.26% of the outstanding Series A Shares, and (ii) 2,590,597 Series B Shares, which represent approximately 26.32% of the outstanding Series B Shares. To the best knowledge of each Reporting Person, none of the persons named in Schedule A beneficially owns any Shares.

The percentage interests indicated herein are based on 91,846,196 Series A Shares and 9,864,294 Series B Shares outstanding as of September 30, 2015, as reported by the Issuer in its Annual Report on Form 10-Q for the quarterly period ended September 30, 2015.”
